Career Objective:

Results-driven professional with over 8 years of experience in training sales, IT project management, customer service, and digital marketing. Currently serving as Assistant Manager (Training) at Babylon Resources Limited, successfully driving B2B training sales and coordinating large-scale national ICT projects. Seeking to leverage expertise in CRM, team leadership, corporate sales, and strategic marketing to contribute to organizational growth and operational excellence.

Key Proficiencies:

- Training Sales & Coordination – Proven ability to generate leads, close B2B training sales, and coordinate large-scale national projects.
- Customer Relationship Management (CRM) – Skilled in managing client/stakeholder relationships and improving customer satisfaction.
- Project Management – Efficient in planning, executing, and monitoring multiple corporate and government training projects simultaneously.
- Digital Marketing & Online Engagement – Experienced in creating strategies that increased online engagement by 30%.
- Tracking & Analytics – Expert in GTM, GA4, Facebook Pixel, Server-Side Tracking, and Conversion API (CAPI).
- Web Development – Proficient in WordPress Design, E-commerce operations, and Backend Management.
- Microsoft Office & Data Analysis – Proficient in MS Office tools for reporting, planning, and process optimization.

Work Experience:

Babylon Resources Limited November 2023 - Present
Position: Assistant Manager (Training)

- Spearheaded B2B training sales and corporate coordination, successfully onboarding and managing large-scale national and corporate ICT projects.
- Directly acquired, coordinated, and managed key projects including the 'Her Power Project' (ICT Division), 'SRDL Python Project', and 'EDGE Mobile App Development'.
- Sold and managed specialized corporate and institutional trainings such as Janata Bank's Kubernetes Training, ATC Training, and SAIC Group's AI Training.
- Managed nationwide Industrial Attachments and built strategic collaborations with various Polytechnic institutes across the country.
- Utilized CRM tools to drive training sales, improve client interactions, and maintain strong stakeholder relationships.

10X | Zenith Technology | Replymaster 2022 - Present
Position: Digital Marketer & Tracking Specialist (Remote)

- Managing advanced technical marketing and data tracking infrastructures remotely for global clients.
- Implementing Server-Side Tracking and Conversion API (CAPI) to ensure data accuracy.
- Setting up and optimizing GTM and GA4 architectures for complex user-behavior analysis.
